# The all-new Sportage

# Broaden your horizons,

LED projector headlights

LED rear combination lights

Hidden rear wiper

# Space innovation. Intelligent and immersive.

Everything is crafted with the driver in mind. From the immersive curved display to intuitive, easy-to-use controls. With mobile-paired audio and seamless connectivity, you will have all the right technologies at your fingertips, exactly where you need them to be.

#### 12.3-inch digital cluster with 12.3-inch infotainment touch screen

The curved 12.3" Digital cluster with 12.3" Infotainment touch screen is the interior centerpiece. It's presence is matched with all of the latest connectivity tech, ergonomically placed to be commanded from the tip of your fingers.

#### Infotainment / climate switchable controller

With the capacitive touch screen located on the centre fascia, you can easily switch between media and the climate control display with the touch of a button.

### Smart thinking makes all the difference.

The all-new Kia Sportage offers a spacious, comfortable cabin with ample headroom and legroom. The supportive seats and flexible interior layout, including split rear seats and clever storage solutions, make every journey a breeze. A smart power tailgate adds a touch of convenience, ensuring effortless loading even with full hands. Experience smart design for every ride.

2nd row seat with adjustable reclining

Passengers can easily adjust their seatbacks to find the perfect angle for relaxation, making every journey more enjoyable.

#### Smart power tailgate

Simply stand behind the rear tailgate for three seconds with your smart key in proximity for the Smart Power Tailgate to automatically open - perfect for when your hands are full.

#### Headrest hanger

So you always arrive in style, the Sportage's front seat headrests feature a clever hanger for coats or garments.

# Connected technology to stay ahead.

Experience the future of driving with the Kia Sportage. Its advanced technology keeps you effortlessly connected, so you can stay informed, entertained, and secure. Whether you're commuting or embarking on a road trip, the Kia Sportage ensures you're always in touch with the world around you.

Apple CarPlay® & Android Auto™

The infotainment and audio systems offer integration with mobile devices via Apple Carplay® or Android Auto™.

#### Surround View Monitor (SVM)

When you steer in a confined space, multiple cameras give you a zoomable, 360° overhead view, helping you park without having to get out to check, or ask others for help.

#### Variable cupholders & multiple tray

The center console cupholders disassemble when not in use, so tablets and other flat items can fit in the same space.

Harman Kardon® 8-speaker sound system

An immersive experience is guaranteed, with an 8 speaker Harman Kardon® premium sound system so that every journey, gets its own soundtrack.

Rear USB ports

Keep everyone charged up for adventure with the intuitively placed USB charge ports even for the rear passengers.

Tyre Pressure Monitoring System (TPMS)

The Tyre Pressure Monitoring System (TPMS) detects the pressure of vehicle's tyres and displays it on the LCD display.

Dual-zone full auto temperature control

Enjoy from a gentle breeze to strong air circulation with dual-zone climate control, just the way you want it.

Smartstream 2.0L Petrol

154 Max. Power Hp @ 6,200 rpm

192 Max. Torque Nm @ 4,500 rpi

Gamma II 1.6T-GDI Petrol

177 Max. Power Hp @ 5,500 rpm

265 Max. Torque Nm @ 4,500 rpm

**Shift By Wire (SBW)**Shift-By-Wire is conveniently positioned and ensures

quick and intuitive operation.

#### **Drive Mode Select (DMS)**

Allows you to adjust the car's performance settings, with multiple modes (Normal, Eco, Sport, Smart) to match your driving style or road conditions.

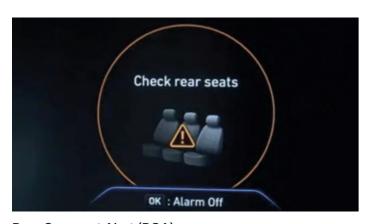

# Driving technology that protects.

Drive with confidence utilizing the latest in Kia's Advanced Driver Assistance Systems (ADAS). It observes, senses, and assists whenever you need it, ensuring a safe and controlled journey for all.

Blind-Spot Collision-Avoidance Assist (BCA)

The system helps prevent or reduce the risk of collision with vehicles in the adjacent lane or coming from behind when the driver switches lanes through audio-visual alerts and steering feedback.

Rear Occupant Alert (ROA)

This standard feature can sound an alert to remind of rear seat occupants when exiting the vehicle.

High Beam Assist (HBA)

Automatically adjusts your headlights between high and low beams based on traffic conditions, improving visibility and safety.

**Downhill Brake Control (DBC)** 

Assists the driver to descend down a steep hill without having to depress the brake pedal.

Rear Cross-Traffic Collision-Avoidance Assist (RCCA)

Helps detect vehicles approaching from the side when you're reversing and can apply the brakes to prevent a collision.

Forward Collision-Avoidance Assist (FCA) with Junction Turning

Helps prevent frontal collisions as well as collisions at intersections by detecting oncoming vehicles while you make turns

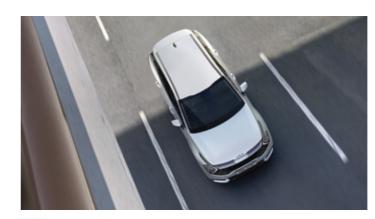

Blind-Spot View Monitor (BVM)

Projects live video view of adjacent lanes in the instrument cluster when activated via the turn signal.

Lane Keeping Assist (LKA)

Helps keep the car in its lane by gently steering or alerting the driver if it detects unintentional lane departure.

Lane Following Assist (LFA)

Helps keep the car centered in its lane by automatically adjusting the steering.

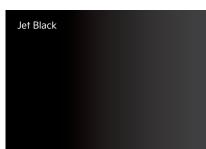

**Smart Cruise Control (SCC)** 

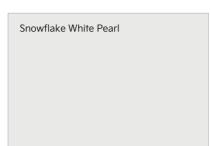

Uses radar to maintain a set speed and safe distance from the car ahead, automatically adjusting as needed, as well as stopping and restarting in traffic.
